## *Senior Trip*

The seniors went by school bus to Detroit and then boarded a 727 jet for the flight to New York. Due to bad weather, the flight took four hours and twenty minutes and ended with a detour to Newark, New Jersey due to bad weather. A short line bus took them to the New Yorker Hotel.

Once in New York they toured Madison Square Garden, the Statue of Liberty, Radio City Music Hall, Rockefeller Center, Central Park, Broadway, Cathedral of St. John the Divine, Lincoln Center, the United Nations, Chinatown, the Bowery, Fifth Avenue, a Buddist Temple and several other places. There was also a bit of free time to shop, to explore a bit and to catch a quick nap.

## *Commencement Exercises*

Marloes Boonekamp

Marloes Boonekamp came to our school from Venray, Netherlands where she attended Jerusalem High School. Marloes attended a girls high school, but before entering she took a test to determine her ability and to see what field she was best qualified for. Marloes belonged to a photo club and a horseback riding club.

Marloes has three brothers and two sisters. Her father is the manager of a concrete factory and her mother works around the home. She is interested in musical groups and at one time took part in producing operettas.

After graduation, Marloes planned to go to France or Switzerland to work as a receptionist in a hotel or hospital. Her future goal is to become an actress.

## *Foreign Exchange Students*

Eric Hellgren

Eric Hellgren came to Michigan as a member of the Youth for Understanding program to spend the school year studying and to get to know the students at Pine River. He had always wanted to come to America and his opportunity came when officials at his school in Boras announced that applications for this program were available.

The Herb Swanson family of LeRoy became Eric's American family.

Eric was born in Goteborg, Sweden, but his family changed residences several times and now lives in Bramhult, just outside of Boras. Staffan, Eric's brother, and Boel, his sister both attend schools in Boras. His father is an export manager for a clothing firm and his mother enjoys playing bridge as well as performing her housewife duties.

Eric is an avid sports fan. Soccer and ice hockey are two of his favorites and he has learned to like American football. He likes to listen to all kinds of music, but his favorite kind is currently all popular music.

"Ready for our chess game, Winston?"

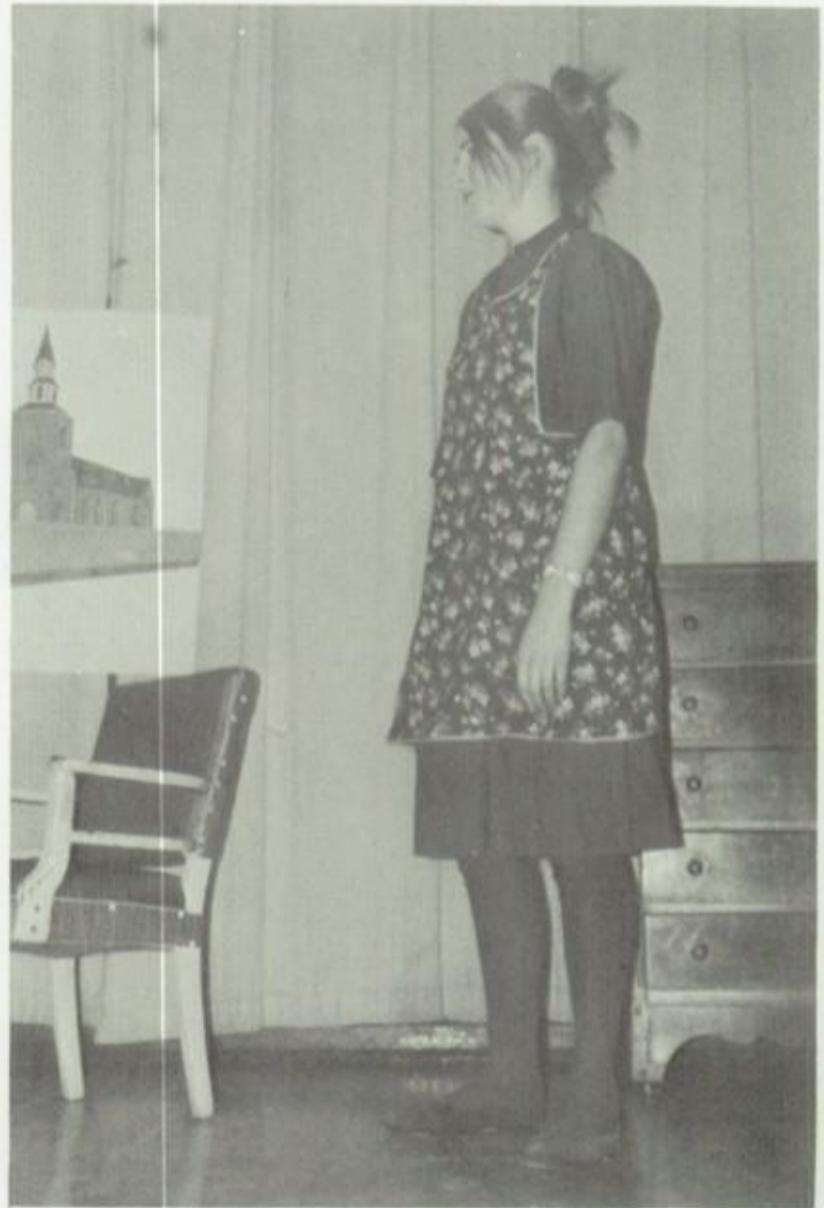

Don't let the smile fool you.

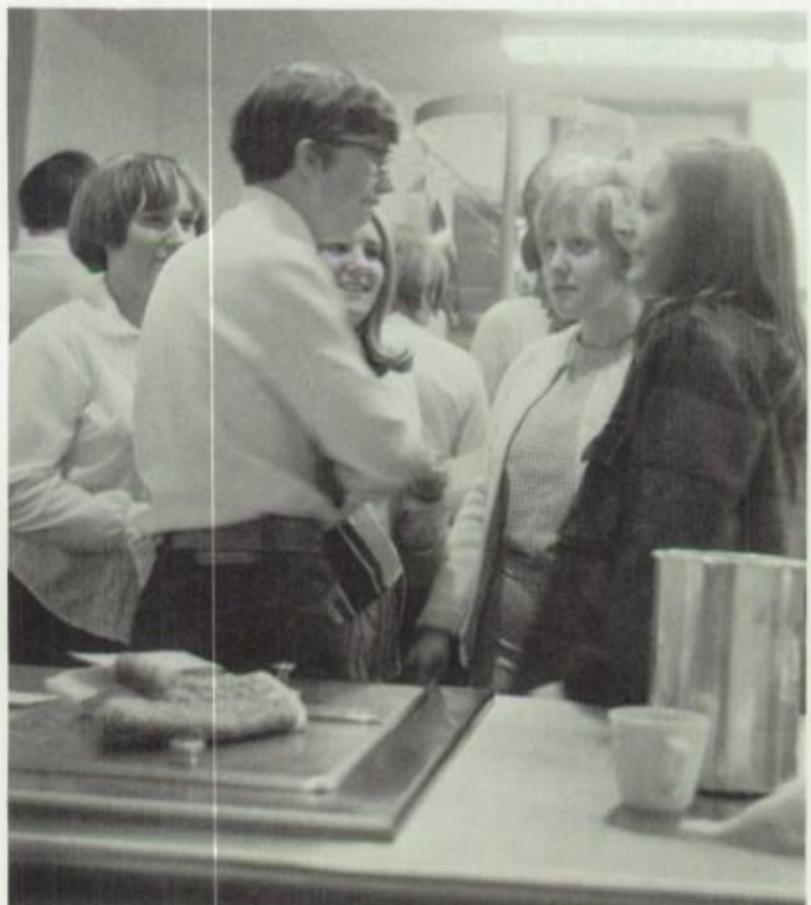

Cheating?

Marloes and Eric were active at Pine River.

"Oranges and lemons say the bells of St. Clemens."

If you think that one was good, wait 'til you hear this one.

ACTIVITIES

# *Driver Education*

Sheriff Donald Grein gave the written examination for a driver's license.

The primary objective of driver education was to teach proper attitudes, the rules of the roads and skills in driving. The program was broken down into thirty hours of classroom instruction and six hours of behind-the-wheel training. Additional training was given where necessary. The classroom instruction was taught from September 1969 to August 1970. Road work was offered as the students finished their classroom work on Saturdays, after school, and during summer vacation. Behind-the-wheel instruction includes experience on rural roads and highways, right and left turns off the new U.S. 131, parallel and angle parking and driving in city traffic, Cadillac and Reed City. Night driving was given only at the request of the student.

Queen Cookie was crowned.

## *Student Council*

The Student Council members are the voice of the student body. This past year they were very active. The event which received the most attention was the homecoming parade and dance. They also revised their constitution, held slop days and passed many events which the classes and clubs sponsored.

## *Yearbook Staff*

The Trilogy staff met Thursdays and some Mondays after school to work on what we think is the best yearbook yet.

Mrs. Schmidt provided snacks and occasionally the crew listened to records, so the meetings were always interesting and fun.

## Newspaper Staff

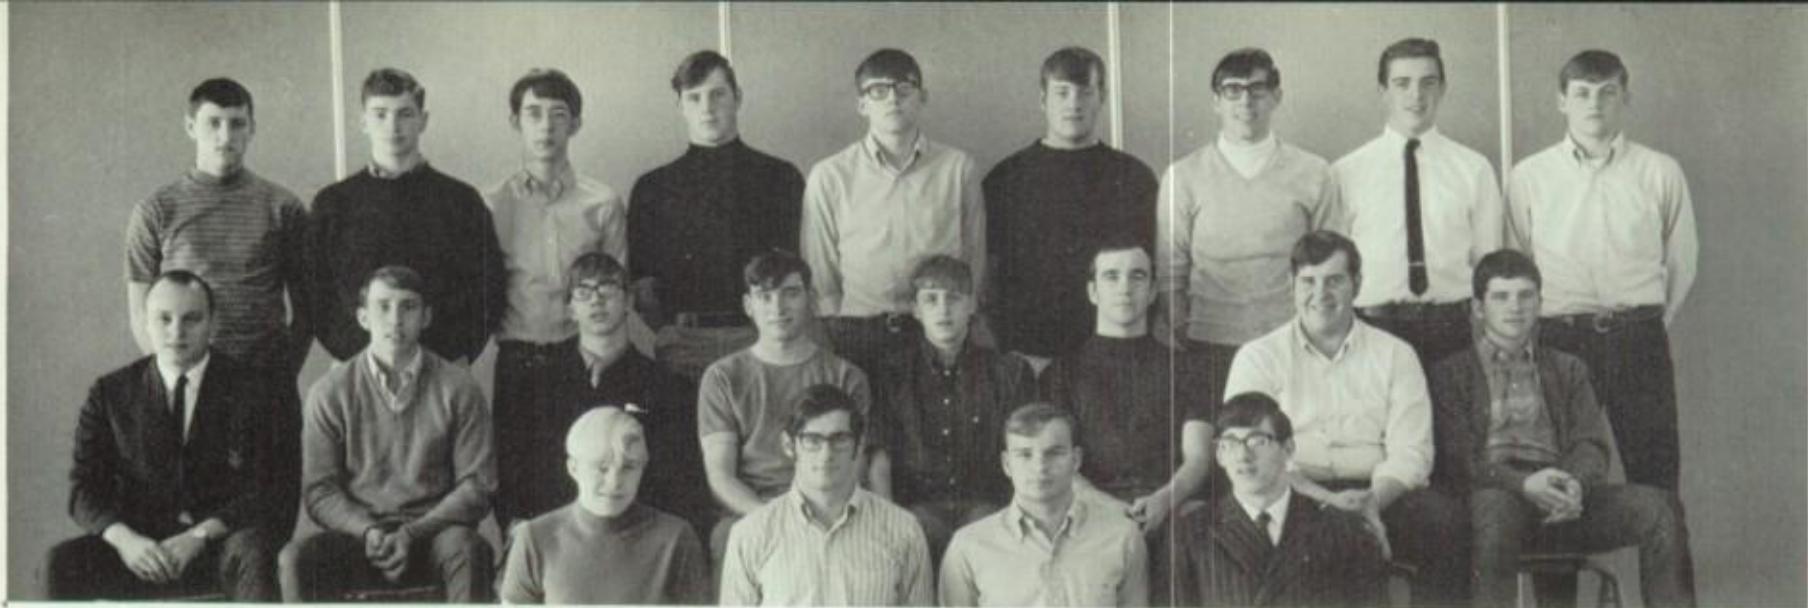

Students of the journalism class were very active this year. They learned how to write news, features, editorials, and columns. The best ones were published. The first paper was a failure because the print didn't take, but the class was determined and put out many successful Buckaneers after the first mishap.

After Christmas, the entire class plunged into an anti-pollution crusade as the basis for their editorials.

# *Band*

The band of Pine River went to Marion, February 28 and competed in the Festival. They came home with a rating of III. Bands from all other class D, C, B, and A schools also competed against our band. Other events that our band has had this year were the Republican dinner, candy sales, and the spring and Christmas concerts. They also played for graduation.

# Cheerleaders

Our six Varsity Cheerleaders not only helped our football and basketball teams during their seasons, they also had some money making projects. Two sock-hops were held in the gym and the cheerleaders also sponsored the bon-fire at Homecoming last October.

One of the funniest and most appreciated projects they had was the contest of the ugliest cheerleader, which also brought in some money.

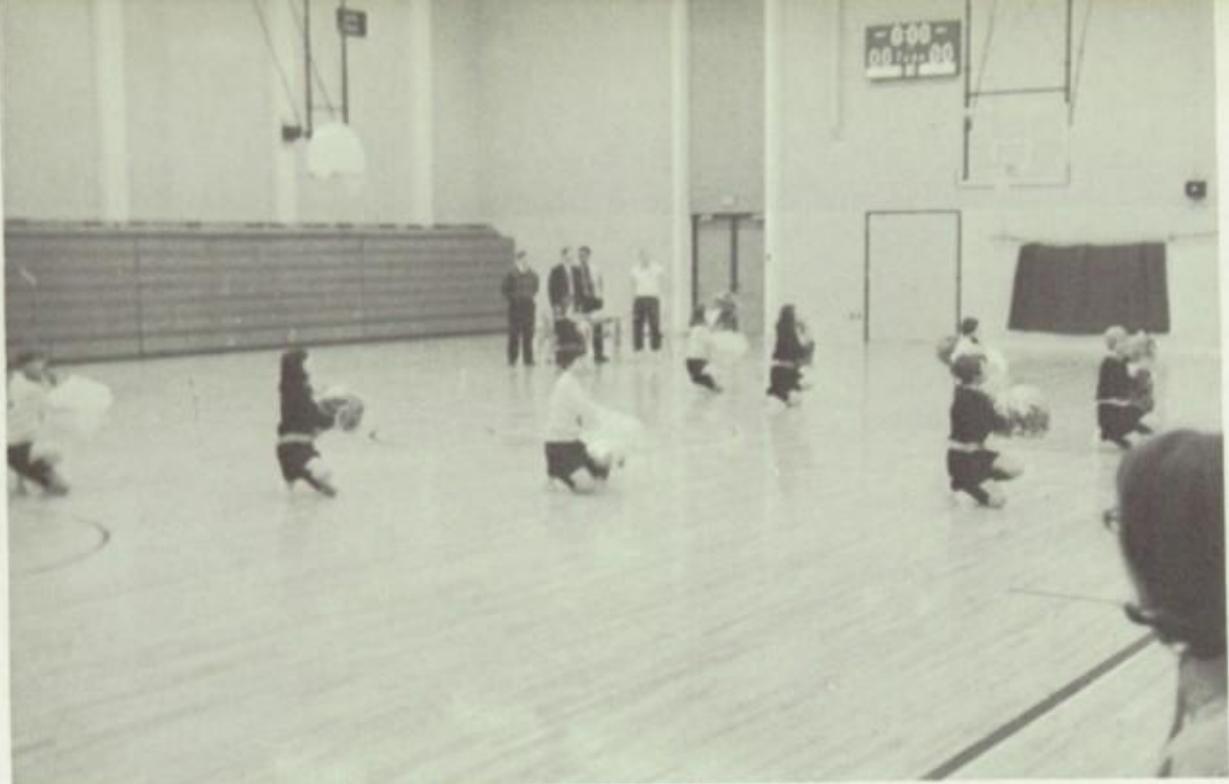

The cheerleaders went to Mt. Pleasant for the Central Michigan Cheerleading Clinic where they got together with about a hundred cheerleaders from other schools.

With the money they earned the cheerleaders for this year were sent to summer camp.

The Bucks seemed to be plagued with mishaps and bad fortune this year. Of the seven games played the Bucks came out with only one victory. This victory came when they met the Beal City Aggies for their second game; the Bucks won with a score of 22-0.

Pine River strived for a good placing in the conference but couldn't seem to get away from the mishaps and injuries that followed them.

Seniors dominated the varsity squad this year. Starting at quarter-back was Nels Johnson, Pat Wilson at half-back, Denny Flynn at safety, Fred Moore defensive lineman, Dale Holmes defensive end, Dave Houle middle line-backer, Mike Williams at guard, and Melvin Chaponis at tackle.

## Boy's Basketball

The boy's basketball teams all had fairly good seasons this year.

The varsity boys ended their season with only six wins and twelve losses. In spite of this low record, the mighty Bucks, after defeating Morley-Stanwood, went on to battle Reed City's team in the district tournament.

The junior varsity boys won fourteen of eighteen games played this year. The outstanding player on the J. V. team was Fred Davis with a total of 234 points during the season.

Our little Bucks did well too.

The eighth grade team had a season of two wins and five losses. The boys fought for their victories all season in the true Pine River fashion.

The seventh grade boys did very well in their first season. Of ten games played, seven were victories. They won second place in the district tournament.

## Girl's Basketball

The girls' varsity basketball team wrapped up its season with a 7-3 record.

There were a total of 16 girls on the squad: six seniors, six juniors, and four sophomores.

The team was coached by Mrs. Meis who led them through the season with the help of Manager Karen Leusby.

This year the girls won twice with Baldwin, twice Marion, McBain Christian once, Lake City twice. They lost to McBain Christian once and to McBain Public twice.

Debbie Whaling and Diane Tessman were top scorers for the year.

## *Cross Country*

Cross country was a fairly new sport at Pine River and had proved to be a very rewarding one. This year Pine River ran in eight meets and won five of them. This was the first year that any meets were held at home, which helped team moral. The pacemakers of our team also participated in the regionals held at Mt. Pleasant and Art Gamble went to the state meet, where he was running nineteenth until he hurt his leg in an accident. The team was dominated by sophomores this year, so cross country should be a strong sport at Pine River for some time.

## *Wrestling*

Mr. Ralph Hurley has been the wrestling coach for two years here at Pine River. The team ended this year's season with a record of 3 wins and 7 losses. Eric Jennings was the only wrestler who was undefeated this season. He pinned his opponent in each of his seventeen matches and represented Pine River at the State wrestling finals held in Lansing.

## *Baseball*

The baseball team had a great season with an eleven and three record. A co-championship was shared with Manton. This record made it possible for Pine River to win the All Sports Trophy.

Chippewa Conference

## *Track*

The track team repeated history by winning seven of the eight season meets. Trophies from the Buckley Invitational and from the Chippewa Conference were added to the collection. Don Foster, Denny Flynn, Art Gamble, Mark Raymond, and Bruce Lucas went to State.
